Guidelines

1. All events must be confirmed by player count for golf ten days in advance of outing date. The confirmation number will be the minimum number that will be billed.
2. In the event of a course closing due to inclement weather prior to the beginning of an event, there will be no charge for golf. If play has commenced and less than nine holes have been completed, the charge will be ½ the outing rate. If more than nine holes have been completed, the full tournament rate will apply. Contracted food will still be served at the scheduled time unless prior arrangements have been made.
3. Dress code: Shirts with collars and appropriate shorts or bottoms are required. Non-metal spikes are required. Tank tops, tee shirts, denim and cut-off shorts are not permitted. Seven Springs Golf and Country Club reserves the right to ask anyone to leave if a violation of the above should occur. No personal coolers will be allowed. All food and beverage must be purchased through the club.

Golf prizes, Merchandise, etc.

Our Pro shop will be available for your outing.

Any and all golf merchandise, prizes, gift certificates, etc. must be purchased through the club's Pro shop. No outside articles may be purchased without prior consent from the head golf professional.
